During any dog's stay with us we have endeavored to give him not just food and shelter, but also the love and affection every dog craves. This compassion cannot and must not stop when he goes to a new home. You as a responsible "Dog Owner" will understand why we need home checks and other information before your application can be accepted and why we have certain conditions when a dog is adopted by you. Our aim and duty is to ensure any adopted dog receives a good home with responsible loving care.

For this reason we ask you to please read these declarations carefully and make sure that you understand them and your obligations when adopting and owning a Border Collie before you sign the completed form.

I hereby confirm and undertake that:

- 1) I am over 18 years of age and can afford the services of a private veterinary practitioner, and will ensure that **vaccinations are kept up to date** and in the case of illness or injury will take the dog to the VET for treatment without delay.
- 2) That **"he/she"** will have a sleeping area raised off the ground with protection from the wind & rain and that there is adequate shade during the hot summer months.
- 3) That I will allow **"him/her"** to sleep indoors at night especially in winter.
- 4) That I will not willingly allow **"him/her"** to roam the streets or run free at night and that I will fit a leather or strong webbing collar with a suitable identification tag.
- 5) I am prepared to pay a non refundable adoption fee of R500.00

**(EVERY BORDER COLLIE LEAVING BORDER COLLIE RESCUE IS FULLY
